**APR 16****The Real Obstacle to Holiness – Our Pathologically Complex Nature. A Lecture by Ron Rolheiser, OMI**

Arnprior, ON. Spirituality tends to blame our struggles for holiness on original sin, on concupiscence, and then blame Adam and Eve. A closer examination, however, of both scripture and Christian tradition places the roots of our struggles not in what's wrong with us, but in what's right with us. We are born with divine fire inside our souls and that fire does not find easy peace in this world. Our own over-charged nature is the real reason why we struggle "to will the one thing."

**APR 16-18****Weekend Retreat – “Spiritual Wisdom from the Deep Wells of Christian Mysticism – Principles for Living a Mystically-Driven Life”**

This retreat will draw on the lives and insights of a number of classical and contemporary mystics – Therese of Lisieux, Julian of Norwich, John of the Cross, Ruth Burrows, and Henri Nouwen – to see what these men and women, famous for touching the souls of so many people, have to offer us. **They hummed of Mystery: Re-enchantment of Nature as the Word and Beauty of God. A Silent Retreat for Men and Women.**

Pickering, ON. A silent retreat in the Jesuit Tradition at Manresa Jesuit Spiritual Renewal Centre. Fr. John McCarthy, SJ will facilitate the retreat. Pope Francis' encyclical *Laudato Si'* uses the wisdom language of the Christian Trinity to attempt a "re-enchantment" of the natural world. The doctrine of the Trinity suggests a provocative language that invites one to engage the profound mystery of creation. The Trinitarian mystery can instill a spirit of awe, wonder, contemplation, reverence and praise before the word and the beauty of God in all creation. We will explore this deep

well of meaning and mystery that we call creation or nature. From this well may flow a deep-rooted care for our common home and a call to action. Suggested offering: \$225. This includes accommodation, meals, program and spiritual direction.
