Guided Retreat: Spiritual Eldering

Roches Point (Keswick), ON. Loretto Maryholme Spirituality Centre.

Spiritual Eldering is a wide-open claiming of the experience and wisdom of one's own life. It is particularly helpful to collect one's own personal history when reaching the sixties and seventies. There is a depth of inner presence to oneself and one's life that doesn't emerge until that time. When we boldly claim all that we have experienced as wisdom, both painful and joyful, we offer back to life and those who know us a rare gift of a vibrant life. Through reflection questions, writing and meditation, you will recognize your own wisdom as a gift received and given. Facilitator: Brenda Peddigrew, RSM. Register for our retreats by emailing: booking@lorettomaryholme.ca.
